Chapter 3, 4, 5 & 7

3. Updates to the dataset are available. Please visit http://www.paulaubin.com/mastering_viz.php. Scroll down and click the link to the Updated Dataset Files. A Readme file is also included. It states:

Updated Dataset Files

Download the EXE file. Either execute it directly as you download it or download it to your hard drive and then double click on it. Click the Unzip button in the dialog that appears. Be sure that "Overwrite Files Automatically" is selected before unzipping. This will replace several files in the default datasets.
